

# A PRESCRIPTION for **GIVING**

2018 Physicians' Giving Campaign

 Salinas Valley  
Memorial  
Hospital Foundation

## YOUR DONATION IS THE PRESCRIPTION for a healthier COMMUNITY.

You save lives every day as a physician. You can take an extra step to ensure the services that improve the health and well-being of our community as a donor. *A Prescription for Giving* helps you support our community in different ways than you already do:

### THE GREATEST NEEDS FUND

Your donation to The Greatest Needs Fund helps ensure that you and your peers have access to the resources you need—from equipment upgrades to building improvements—to continuously provide quality healthcare to the larger Salinas Valley community.

### CHILDREN'S MIRACLE NETWORK HOSPITALS®

As a member of Children's Miracle Network Hospitals, we support the tri-county region to meet the everyday, practical needs of our area's families. A ramp in the home of a child in a wheelchair. Hearing aids and cochlear implants. Art and equestrian therapies. Miracles happen when you go beyond basic services to look at what's critical for children to live healthy lives.
